2023

Records of Horses

The record of each Thoroughbred that raced in
the United States and Canada during 2023
appears in this section with sex, age, number of starts, firsts,
seconds, and thirds, as well as the total money earned.
If any record shows either first, second, or third placings but no
money earned, trophies were awarded instead of prize money.
Canadian earnings have been converted to U.S. dollars.
