Record of Walkovers

A walkover is a race with only one starter or a race in which the horses competing belong to the same owner(s). The horse is assured the purse, but must finish the race. Since 1913, there have been 39 walkovers in North American Thoroughbred horse racing, including Citation in the 1948 Pimlico Special, Spectacular Bid in the 1980 Woodward Stakes, and Sharp Cat in the 1997 Bayakoa Handicap.
